## Specification Sheet

|                          |                                                                |
|--------------------------|----------------------------------------------------------------|
| Product Name:            | <b>3-(Triallylsilyl)propyl Acrylate (stabilized with MEHQ)</b> |
| Specifications & Purity: | <b>&gt;92.0%(GC)</b>                                           |
| SKU #                    | <b>T405588</b>                                                 |

| Parameter           | Limit Values                       |
|---------------------|------------------------------------|
| Purity(GC)          | 95-100 (%)                         |
| Proton NMR spectrum | Conforms to Structure              |
| Appearance(T405588) | Light yellow to Brown clear liquid |
