

Specification Sheet

Product Name: **TMS-PZ (=N-Trimethylsilylimidazole in Anhydrous Pyridine)**
[Trimethylsilylating Reagent, for wet or dry Sugars, Mono or Poly Saccharides]

Specifications & Purity:
SKU # **T406141**

Parameter

Appearance(T406141)

Effect test of TMS derivatization(Effective as derivatization agent D-(+)-Glucose)

Limit ValuesColorless to Almost colorless clear
liquid
pass
