

## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>TCO-PEG8-NHS ester</b> |
| Specifications & Purity: | <b>≥95%</b>               |
| SKU #                    | <b>T597016</b>            |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
