

## Specification Sheet

Product Name: **2,5,6-Trichloronicotinonitrile**  
Specifications & Purity: **≥97%**  
SKU #: **T635910**

| Parameter                      | Limit Values            |
|--------------------------------|-------------------------|
| Appearance(T635910)            | White to yellow (Solid) |
| Purity(HPLC)                   | 97-100 (%)              |
| Proton NMR spectrum            | Conforms to Structure   |
| Infrared spectrum              | Conforms to Structure   |
| Nitrogen by Elemental Analysis | 12.84-13.78 (%)         |
