

## Specification Sheet

Product Name: **2,3,4,5-Tetrachloropyridine**  
Specifications & Purity: **≥97%**  
SKU #: **T690621**

| Parameter                | Limit Values               |
|--------------------------|----------------------------|
| Purity(HPLC)             | 97-100 (%)                 |
| Appearance(T690621)      | White to off-white (Solid) |
| Proton NMR spectrum      | Conforms to Structure      |
| LC-MS for identification | Conforms                   |
