Specification Sheet

Product Name:	Thrombin
SKU #:	T754968
Version:	2
Source:	Native
Specifications & Purity:	ActiBioPure™, Bioactive, High performance, EnzymoPure™, Native, from human plasma; 400-1000 NIH U/mg protein
Concentration:	from human plasma; 400-1000 NIH U/mg protein
Formulation:	Lyophilized
Reconstitution:	Reconstitute in 1% buffered Albumin solution.
Storage Conditions:	Store at -20°C, Avoid repeated freezing and thawing

Parameter	Limit Values
Appearance(T754968)	White to off-white lyophilized powder
Enzyme activity (protein)	400-1000(NIH U/mg)
Tested For Infectious Agents	Tested
Human Source Testing (Source)	Tested
HBSAG	Negative
HCV	Negative
HIV-1/HIV-2	Negative
