

## Specification Sheet

|                          |                      |
|--------------------------|----------------------|
| Product Name:            | <b>UK-371804 HCl</b> |
| Specifications & Purity: | 10mM in DMSO         |
| SKU #                    | <b>U422895-1ml</b>   |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
