

## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>Uric acid-1,3-<sup>15</sup>N<sub>2</sub></b> |
| Specifications & Purity: | ≥98 atom% <sup>15</sup> N, ≥98%                 |
| SKU #                    | <b>U471861</b>                                  |

| Parameter                         | Limit Values          |
|-----------------------------------|-----------------------|
| Isotopic purity( <sup>15</sup> N) | 98-100 (atom%)        |
| Purity(HPLC area)                 | 98-100 (%)            |
| NMR Spectrum <sup>1</sup> H       | Conforms to Structure |
