

## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>Vinyl 4-tert-Butylbenzoate</b> |
| Specifications & Purity: | >98.0%(GC)                        |
| SKU #                    | <b>V162945</b>                    |

| Parameter                           | Limit Values                               |
|-------------------------------------|--------------------------------------------|
| Refractive index n <sub>20</sub> /D | 1.517-1.52                                 |
| Purity(GC)                          | 98-100 (%)                                 |
| Appearance (V162945)                | Colorless to almost colorless clear liquid |
| Proton NMR spectrum                 | Conforms to Structure                      |
