

## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Varlitinib</b>       |
| Specifications & Purity: | Moligand™, 10mM in DMSO |
| SKU #                    | <b>V407853-1ml</b>      |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
