## Specification Sheet

|                          |                   |
|--------------------------|-------------------|
| Product Name:            | <b>WAY-311446</b> |
| Specifications & Purity: | 98%               |
| SKU #                    | <b>W416893</b>    |

| Parameter                | Limit Values              |
|--------------------------|---------------------------|
| Purity(HPLC)             | 98-100 (%)                |
| Appearance(W416893)      | White to off-white powder |
| LC-MS for identification | Conforms                  |
| Proton NMR spectrum      | Conforms to Structure     |
