

## Specification Sheet

|                          |                     |
|--------------------------|---------------------|
| Product Name:            | <b>WAY-321582-A</b> |
| Specifications & Purity: | 10mM in DMSO        |
| SKU #                    | <b>W423484-1ml</b>  |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
