## Specification Sheet

|                          |                    |
|--------------------------|--------------------|
| Product Name:            | <b>WAY-324593</b>  |
| Specifications & Purity: | 10mM in DMSO       |
| SKU #                    | <b>W423899-1ml</b> |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
