

## Specification Sheet

|                          |                 |
|--------------------------|-----------------|
| Product Name:            | <b>Xantphos</b> |
| Specifications & Purity: | ≥98%            |
| SKU #                    | <b>X111327</b>  |

| Parameter            | Limit Values                                                   |
|----------------------|----------------------------------------------------------------|
| Melting point        | 227-231 (°C)                                                   |
| Purity(HPLC)         | 98-100 (%)                                                     |
| Appearance (X111327) | white to off-white to Light yellow powder or crystals or solid |
| Proton NMR spectrum  | Conforms to Structure                                          |
