## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>Zinc arsenide</b>                |
| Specifications & Purity: | PrimorTrace™, ≥99.999% metals basis |
| SKU #                    | <b>Z420124</b>                      |

| Parameter                              | Limit Values               |
|----------------------------------------|----------------------------|
| Total Metallic Impuritie               | 0-20 (ppm)                 |
| Purity(Based On Trace Metals Analysis) | 99.999-100 (%)             |
| Appearance(Z420124)                    | Dark Grey To Silver Chunks |
| ICP: Confirms Zn Component             | Confirmed                  |
| X-Ray Diffraction                      | conforms to structure      |
