## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>Zirconium(IV) bromide</b> |
| Specifications & Purity: | ≥98%                         |
| SKU #                    | <b>Z578654</b>               |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| X-Ray Diffraction   | Conforms to Structure |
| Assay(Titration)    | 98-100 (%)            |
| Appearance(Z578654) | Off-White powder      |
