| Product Name:            | Annexin V-PE                                                                           |
| Lot #:                   | ZJ25F0926502                                                                           |
| SKU #:                   | rp226055                                                                               |
| Version:                 | 1                                                                                      |
| Analysis #:              | 021251                                                                                 |
| Source:                  | Recombinant                                                                            |
| Specifications & Purity: | BioReagent, Biological Stain, for microscopy, Suitable for Immunofluorescence, see COA |
| Concentration:           | 5 µL/test                                                                              |
| Formulation:             | Liquid                                                                                 |
| Reconstitution:          |                                                                                        |
| Storage Conditions:      | Protected from light, Store at 2-8°C. Do Not Freeze                                    |
| Analysis:                | 021251                                                                                 |

| Parameter                | Limit Value                     | Result                          |
|--------------------------|---------------------------------|---------------------------------|
| Appearance(rp226055)     | Colourless to light pink liquid | Colourless to light pink liquid |
| Cell Apoptosis Detection | Conform                         | Conform                         |
