

Shanghai Aladdin Biochemical Technology Co., LTD

Building No. 7, No. 11, Galileo Road, Pudong New Area, Shanghai 201210, China

## Specification Sheet

|                     |                                                           |
|---------------------|-----------------------------------------------------------|
| Product Name:       | Mouse Anti-Human IgG H&L (HRP)                            |
| SKU #:              | Ab139791                                                  |
| Version:            | 3                                                         |
| Clone ID:           | 1H8                                                       |
| Isotype:            | IgG1                                                      |
| Source:             | Hybridoma supernatant                                     |
| Formulation:        | Liquid                                                    |
| Concentration:      | See COA                                                   |
| Buffer Solution:    | 10mM PB+ 10% NBS+ 50% glycerin+ 0.1% ProClin300,<br>pH7.4 |
| Storage Conditions: | Store at -20°C, Avoid repeated freezing and thawing       |

| Parameter            | Limit Values                |
|----------------------|-----------------------------|
| Appearance(Ab139791) | Light brown to brown liquid |
| ELISA (1/20000)      | ≥1                          |
| Non-specific binding | Conform                     |
