

Shanghai Aladdin Biochemical Technology Co., LTD

Building No. 7, No. 11, Galileo Road, Pudong New Area, Shanghai 201210, China

## Specification Sheet

|                     |                                                                            |
|---------------------|----------------------------------------------------------------------------|
| Product Name:       | Ziltivekimab (anti-IL-6)                                                   |
| SKU #:              | Ab175709                                                                   |
| Version:            | 1                                                                          |
| Clone ID:           |                                                                            |
| Isotype:            | Human IgG1                                                                 |
| Source:             | CHO supernatant                                                            |
| Formulation:        | Liquid                                                                     |
| Concentration:      | See COA                                                                    |
| Buffer Solution:    | Supplied as a 0.22 µm filtered solution in 100mM Pro-Ac, 20mM Arg, pH 5.0. |
| Storage Conditions: | Store at -80°C, Avoid repeated freezing and thawing                        |

| Parameter                | Limit Values      |
|--------------------------|-------------------|
| Appearance(Ab175709)     | Colourless liquid |
| Molecular Weight         | 157.8-192.8(kD)   |
| Purity(SDS-PAGE)         | 95-100(%)         |
| Purity (SEC)             | 95-100(%)         |
| Endotoxin Level <1 EU/mg | Conform           |
| IL-6 binding             | Conform           |
