

Shanghai Aladdin Biochemical Technology Co., LTD

Building No. 7, No. 11, Galileo Road, Pudong New Area, Shanghai 201210, China

## Specification Sheet

|                     |                                                                           |
|---------------------|---------------------------------------------------------------------------|
| Product Name:       | RG7992 (anti-Klotho Beta)                                                 |
| SKU #:              | Ab177889                                                                  |
| Version:            | 1                                                                         |
| Clone ID:           |                                                                           |
| Isotype:            | Human IgG1                                                                |
| Source:             | CHO supernatant                                                           |
| Formulation:        | Liquid                                                                    |
| Concentration:      | See COA                                                                   |
| Buffer Solution:    | Supplied as a 0.22 µm filtered solution in 100mM Pro-Ac, 20mM Arg, pH 5.0 |
| Storage Conditions: | Store at -80°C, Avoid repeated freezing and thawing                       |

| Parameter                | Limit Values      |
|--------------------------|-------------------|
| Appearance(Ab177889)     | Colourless liquid |
| Molecular Weight         | 163.2-199.4(kD)   |
| Purity(SDS-PAGE)         | 95-100(%)         |
| Purity (SEC)             | 95-100(%)         |
| Endotoxin Level <1 EU/mg | Conform           |
| Klotho Beta binding      | Conform           |
