

Shanghai Aladdin Biochemical Technology Co., LTD

Building No. 7, No. 11, Galileo Road, Pudong New Area, Shanghai 201210, China

## Specification Sheet

|                     |                                                                          |
|---------------------|--------------------------------------------------------------------------|
| Product Name:       | Sirtratumab vedotin (anti-SLITRK6)                                       |
| SKU #:              | Ab183326                                                                 |
| Version:            | 1                                                                        |
| Clone ID:           |                                                                          |
| Isotype:            | Human IgG2SA                                                             |
| Source:             | CHO supernatant                                                          |
| Formulation:        | Liquid                                                                   |
| Concentration:      | See COA                                                                  |
| Buffer Solution:    | Supplied as a 0.22µm filtered solution in 100mM Pro-Ac, 20mM Arg, pH 5.0 |
| Storage Conditions: | Store at -80°C, Avoid repeated freezing and thawing                      |

| Parameter                   | Limit Values      |
|-----------------------------|-------------------|
| Appearance(Ab183326)        | Colourless liquid |
| Molecular Weight            | 135-185(kD)       |
| Purity(SDS-PAGE)            | 90-100(%)         |
| Purity (SEC)                | 90-100(%)         |
| SLITRK6 binding             | Conform           |
| (Free Drug) <0.1%           | Conform           |
| Endotoxin Level <0.01 EU/µg | Conform           |
