

Shanghai Aladdin Biochemical Technology Co., LTD

Building No. 7, No. 11, Galileo Road, Pudong New Area, Shanghai 201210, China

## Specification Sheet

|                     |                                                               |
|---------------------|---------------------------------------------------------------|
| Product Name:       | Human IgG1-kappa (FITC), anti-Spike RBD                       |
| SKU #:              | Ab212800                                                      |
| Version:            | 1                                                             |
| Clone ID:           |                                                               |
| Isotype:            | Human IgG1                                                    |
| Source:             | CHO supernatant                                               |
| Formulation:        | Liquid                                                        |
| Concentration:      | 0.5 mg/mL                                                     |
| Buffer Solution:    | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions: | Protected from light, Store at 2-8°C. Do Not Freeze           |

| Parameter            | Limit Values  |
|----------------------|---------------|
| Appearance(Ab212800) | Yellow liquid |
| Flow Cytometry       | Conform       |
