

Specification Sheet

Product Name: **Mycoplasma Prevention Reagent (1000X)**
Specifications & Purity: Mycoplasma free, BioReagent, Sterile, for cell culture, 1000X
SKU # **M752154-10ml**
Version: 1

Parameter

Appearance(M752154)
pH
Mycoplasma Clearance Rate
Cytotoxicity

Limit Values

Yellowish transparent liquid, no precipitation
5.6-5.9
Complete clearance (negative result)
No inhibition of proliferation
