

Specification Sheet

Product Name: **Mycoplasma Prophylactic Reagent (2000X)**
Specifications & Purity: Mycoplasma free, BioReagent, Sterile, for cell culture, 2000X
SKU #: **M752155-10ml**
Version: 2

Parameter

Appearance(M752155)
Active Ingredient (10-12 mg/mL)
Mycoplasma Inhibition Rate
Cytotoxicity

Limit Values

Colorless or yellowish transparent liquid, no precipitation
Conform
Effective Inhibition
No inhibition of proliferation
