

## PRODUCT IDENTITY

|                 |                                                             |                |                                                              |
|-----------------|-------------------------------------------------------------|----------------|--------------------------------------------------------------|
| PRODUCT NAME    | 4,5,6,7-Tetrahydropyrazolo[1,5-a]pyridine-2-carboxylic acid | PRODUCT NUMBER | T588658                                                      |
| Grades & Purity | ≥97%                                                        | VERSION        | 3                                                            |
| CAS NUMBER      | 307313-03-7                                                 | FORMULA        | C <sub>8</sub> H <sub>10</sub> N <sub>2</sub> O <sub>2</sub> |
| FORMULA WEIGHT  | 166.18g/mol                                                 |                |                                                              |

## ACCEPTANCE CRITERIA

| PARAMETER                | SPECIFICATION / LIMIT |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 97-100 (%)            |
| LC-MS for identification | Conforms              |
| NMR Spectrum 1H          | Conforms to structure |
